Frequently Asked Questions

Who can attend CAC? Anyone!! All meetings are open to the public.

What can CAC do for me?

- Assist you in accessing community resources
- Help you meet other parents in your community that have children with special needs.
- Inform you of your student's procedural safeguards.

What if I am concerned about my child's progress?

It is important that you direct specific Special Education questions or concerns to your local school district. Each district has procedures to review and discuss your student's progress.

THE CAC is **YOUR** CAC!

- State law requires every SELPA (Special Education Local Plan Area) have a CAC.
- The CAC advises the The Superintendent's Coordinating Council regarding special education policy issues as related to the Local Plan.
- When you attend a CAC meeting, you may ask questions, get information, express concerns and opinions, give recommendations, and meet the people who make decisions about special education.
- Every CAC meeting includes time for "Public Comment" where anyone can raise a topic for discussion or let CAC know of a general concern. If your concern is case specific, you will be referred to a parent network representative or appropriate district staff.

CAC?

Why the

1. Provide parent information and training.

- 2. Provide information about SELPA program, services, resources, and agencies concerning special education related topics.
- 3. Keep families and community updated about current and future programs, and legislation affecting special education.
- 4. Provide networking opportunities with other parents of students with exceptional needs.
