## Yuba County Special Education Local Plan Area PROFESSIONAL DEVELOPMENT

# California Dyslexia Guidelines - Next Steps

### PRESENTER:

Daniel Silberstein, M.Ed, Educational Specialist  
 Diagnostic Center of Northern California

### INTENDED AUDIENCE:

Special and General Education Teachers, Reading Specialists,  
 Administrators, School Psychologists,  
 Speech Pathologists

### WHEN:

Wednesday, August 25, 2021  
 8:00-9:30 AM

### WHERE:

Online Virtual Training

### COST:

Free

### Participants will Learn:

- What is included in California's definition of dyslexia
- Considerations and tools for screening and assessing dyslexia
- Current research and considerations for assessing English Language Learners for dyslexia
- How to plan and implement academic interventions for students with reading deficits

Now that California's Dyslexia guidelines have been released, what's next? California legislation (AB1369, Fall 2015) clarified how California educators will handle the reading disability called dyslexia. This workshop will discuss how to understand the guidelines, assess for dyslexia, and plan academic interventions for students with reading deficits.
